

# Editing Your Manuscript

## Take your writing career to the next level

Editing is critical to your manuscript's development, whether you do it yourself or hire a professional. In this full-day workshop, you will have the opportunity to explore essential elements of editing:

- when different levels of editing are needed
- how to find the right kind of editor for your manuscript
- how to brief an editor
- what to expect to pay
- how different editing processes work.
